Our history begins with Reverend Bohlmann, who had a vision of establishing a Lutheran church in Avon.

The first service of the Avon Mission led by Reverend Halvorsen was on **October 1, 1961** at Avon Village School with 168 people attending.

On **November 12, 1961** "Faith Lutheran Church" became the official name of the congregation, but the church remained without a home.

In **1966**, a site for a church was chosen, and the groundbreaking occurred as part of the Faith's 5 year anniversary celebration.

In **2011**, Faith celebrated 50 years in Avon.

As our congregation and mission continued to expand, we launched a building campaign in the **Spring of 2013** to add seventy six hundred additional square feet to the church. This expansion included a new 350-seat sanctuary, two larger preschool classrooms, a large vestibule, and remodeled office/meeting space.

The new space was completed in **December 2013**, just in time for Christmas services.

David Woolsey became the Faith's new pastor in **2007**.
