

VILLAGE OF AVON

LORAIN COUNTY

OHIO

AVON MUNICIPAL BUILDING

GRAND OPENING

JUNE 8, 1958

MESSAGE FROM THE MAYOR

June 8, 1958

Citizens of Avon:

Welcome to your new Avon Municipal Building. This is your building paid for through taxes on your property. Your vote in the November 1956 election in favor of this construction provided the funds. Incidentally, the tax levy amounts to only .94c per thousand dollars valuation for a period of 15 years, decreasing as valuation increases.

The total cost of the building was approximately \$90,000. At today's cost of material and labor, this figure would be considerably higher. In addition to this, new furniture and fixtures were purchased for about \$6,000. Add to this the cost of landscaping, driveway, sidewalks, and parking improvements and the final result will be about a \$100,000 investment.

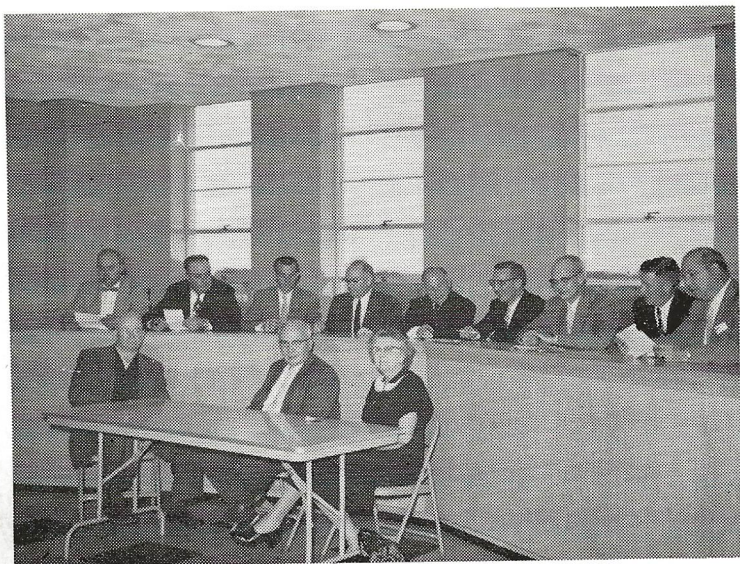

This is a building that will provide adequate space for our growing community for many years to come. We hope you are as proud to accept it as we are to present it to you.

Many thanks are due to many people for their efforts in bringing this project to a successful conclusion —the Architects, Contractors, Village Employees, Councilmen, and others. A special thanks to the Building and Lands Committees who have served during the past two years. Also, a vote of appreciation to Mr. and Mrs. Edward Mencl who exchanged property with the Village, permitting the driveway and landscaping on the east side of the property. The Central Bank has been very cooperative in providing a place for Village meetings since the old Town Hall was rented for Library purposes. Our thanks to them and many others.

Welcome again to your Municipal Building.

LAVERN PICKERING,
Mayor

ADMINISTRATIVE DEPARTMENT

Present Village Officials

FRONT

Stephen Alten, Building Inspector

Ray E. Hollis, Engineer

Theresa Wagner, Treasurer

BACK

Robert Schneider, Councilman

Linus Tomlin, Councilman
